Variety in French Dressing

Several ingredients can be added to French dressing to make it extra special.VPI food specialists say that French dressing can be turned into a cheese dressing by just adding grated hard cheese, or by rubbing soft cheese to a paste with the dressing. Roquefort or blue cheese is made by crumbling the cheese and adding it to the French dressing.

To change French dressing into Cliffonade dressing, just add chopped onions, peppers, pimientos, parsley, and hard-cooked egg.

Vinaigrette dressing is made by adding chopped chives and chopped hard-cooked eggs to a French dressing that contains horseradish and catsup or chili sauce.

Washing Woodwork

While washing woodwork, place a flat piece of tin over the adjoining wallpaper or painted wall to protect against water damage or streaking.

A Travel Tip

Going on a trip this summer? Instead of throwing worn towels into the ragbag, cut them into squares for disposable washcloths.

Ford gives you more

Ford's Thunderbird styling and new Trigger-Torque power put it on a par with cars costing hundreds of dollars more. And even most of *these* cars don't offer such Ford advances as *baked-enamel* finishes, new anti-fouling spark plugs and Ford's gas-saving Automatic Power Pilot.

It has that Thunderbird look!
In every one of Ford's 16 body selections, you can trace the exciting lines of America's fastest-selling personal car—the Ford Thunderbird.

It has Trigger-Torque take-off!
Ford *acts* like the Thunderbird, too! All three of Ford's mighty engines offer the swift response of Trigger-Torque power.

It has interiors seen for the first time in any car!
Ford's rich Luxury Lounge interiors show further marks of the Thunderbird's good taste and workmanship.

It has a new Angle-Poised Ride!
This year, Ford's Ball-Joint Suspension has been angled back to iron out even tiny flaws in the road! No car in Ford's price class can match this new Angle-Poised Ride.

Advances galore make it America's worth-more car!
Ford's deep-block engines . . . 10% larger brakes . . . 5-cross-member frame . . . Center-Fill Fueling—are all extra dividends found in no other car at Ford's price.

FORD the new BEST SELLER . . . sells more because it's worth more!
